

Dear Taxpayer:

In an effort to save the cost of printing and mailing a Form 1065 package the partnership may not need, we are sending this postcard instead. If the partnership needs a package, see **How To Get a Form 1065 Package or Other Forms and Instructions** below.

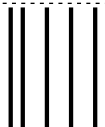

Please give the person who prepares the partnership's return the label on the other side so it can be used on the return. Correct any errors on the label. Make sure the preparer has all the partnership's income and expense records so he or she can fill in the return correctly.
